Koreans first began to immigrate to Chicago at the turn of the 20th century. Drawn to the Windy City in search of a better life for themselves and their families, Korean Americans quickly began to establish what has become a thriving community that remains active and distinct. For the past 100 years, the Korean American community has contributed greatly to the growth and development of the Chicago metropolitan area-politically, culturally, and socially. In this book Korean Americans in Chicago celebrate these contributions with over 200 photographs that detail the various aspects of life within the community.
