**News from Nowhere and Other Writings (Penguin Classics)** William Morris

This volume illustrates the variety of William Morris's prose, while focusing on one theme: the earthly paradise. The "Nowhere" of **News from Nowhere** (1890) is England in 2102, an ideal pastoral society born out of revolution. It is as compelling a dream of the future as the nightmares of **Brave New World** and **Nineteen Eighty-Four**. Exhilaratingly, it reminds us that nothing is inevitable about the way we live—now or in 1890.
