Policy Practice for Social Workers: New Strategies for a New Era (Updated Edition), Books a la Carte Edition Linda K. Cummins, Katharine V. Byers, Laura Pedrick

Introduction to Policy Practice shows future social work practitioners how to actively influence policy-making through lobbying, coalition building and running campaigns. It helps them to master social problem analysis and policy analysis and uses theoretical and empirical knowledge for the application of policy practice techniques.

Each chapter reflects and integrates the core competencies in the 2008 Educational Policy and Accreditation Standards (EPAS) set by the Council on Social Work Education (CSWE). End-of-chapter assessment reinforces this integration, and MySocialWorkLab.com activities support the mastery of CSWE's core competencies.
