A princess and her doppelganger are missing, and a grief-stricken king turns to Aaron Timmer for answers. As a bodyguard to the king, Aaron's mission is clear when one of the women is found: keep her out of danger and find the abductor. But how can he do that when the mystery woman doesn't remember the events leading up to her disappearance?

Terror strikes a young woman when she wakes up in a private hospital with no idea who she is, how she came to be hospitalized...and whose baby she's carrying. But there is something about the man sent to protect her that makes her feel safe. As they seek the truth together—and the secrets of her past finally begin to resurface—they must prepare for the dangers that await them...and a desire that may be all too familiar.
