## Be Honest--You're Not That Into Him Either Ian Kerner

Avoid the booty call blues and get the love -- and sex -- you deserve!

Come on. Admit it. He may not be that into you, but were you ever really that into *him*? He was never "the one," but you lowered your standards and dated him in the meantime. Why? For any number of reasons: you were lonely, you were horny, you thought dating him was better than being alone, all your friends are getting married -- you name it. And before you knew it, you got hung up on the jerk. Go figure.

The world is full of sensational women, but in today's market there are too few good men to go around (or so it appears). Now **Dr. Ian Kerner**, clinical sexologist and author of the smash hit **She Comes First**, explores the battlefield of sex, hook ups, go-nowhere relationships, and the dismal dating treadmill, simultaneously arming women with a sharper set of insights and the tools for change. With humor and sincerity, Kerner shows women how to break the cycle of dating defeat and use the power of sex to find love, "with a great guy who *is* into you." So raise your standards -- and reach for the love you deserve!
