## Conan: The Phantoms of the Black Coast Victor Gischler

King Conan is haunted by the ghost of his first-and some say greatest-love. If he is to ever know peace again, he must put her spirit to rest. Who is the mysterious sorceress Conan enlists to aid him in his quest, even as she secretly plots against him? And can the barbarian survive the danger-filled journey across the never-ending ocean, back to the forbidding temple on the coast, where his lost love met her end? Collects Conan: The Phantoms of the Black Coast #1–#5. \* From the artist of The Lightning Thief and Scott Snyder's Severed
