Dave Mitchell is relishing the success of his start-up company, DMI. His accomplishments, however, have come at a tremendous price on the home front. The closeness he once shared with his wife of twelve years is gone. Dave spends most of his time working, while Madeline is struggling with balancing her job and home. When she elects to take time off and let Dave run the business, their lives are forever changed.

Revered by others as a man of strong faith, Dave is not above temptation. His professional relationship with his new secretary eventually crosses the line, and the two share a night of passion. Madeline is crushed when she discovers the affair, but she has sacrificed too much already to let go. She digs her heels in, refusing to give up her marriage, her family, her company, or her place in Dave's heart.

Anointed is part of the Mitchell Family series. At the heart of the series is a family feud, bringing readers an explosive mix of sibling rivalry, marital discord, corporate intrigue, greed, faith, and a hint of romance.
