An indispensable tool for librarians who do reference or collection management, this work is a pioneering offering of expertly selected print and electronic reference tools for East Asian Studies (Chinese, Japanese, and Korean).

- Represents the first work to include Chinese, Japanese, and Korean materials in one volume
- Incorporates critical information on subscription-based and open-source electronic reference tools
- Written by noted leading experts in Asian Studies librarianship
- Supplies materials in English and vernacular Asian languages
- Includes multilingual titles but provides references and citations in English
- Comprises not only a bibliography, but a guide containing key tips on how to use many reference tools
