RELIGIONES MINORITARIAS EN CANARIAS. PERSPECTIVAS METODOLÓGICAS (Escuadra y Compás. Religiones) (Spanish Edition)

El libro que tiene el lector en sus manos está escrito desde un enfoque de carácter metodológico. Reflexiona sobre cómo estudiar las religiones en Canarias, hoy, planteándose cuestiones, formulando técnicas de investigación, intentando proponer caminos de análisis plurales para reflejar una realidad caracterizada cada vez más por la diversidad. Centra la atención en las religiones minoritarias, cuyo impacto se ha multiplicado en las últimas décadas, aunque también tiene en cuenta las complejas relaciones que entre mayorías y minorías, entre creyentes y no creyentes, se entretajan en el presente de nuestras islas.

Inserto en las confluencias de la antropología y la historia, especialidades disciplinares de la mayoría de los autores, el libro intenta analizar la naturaleza de los procesos de transnacionalización y de los fenómenos de multirreligiosidad existentes en Canarias. Y lo hace presentando desde los aspectos más generales hasta el análisis de casos relativos a diversas, aunque no a todas, las minorías religiosas presentes en el panorama insular. De este modo ofrece una perspectiva dinámica y procesual de las mis-mas, a la vez que insiste en la complejidad emergente y la legitimidad diversa de unas y otras.
