## **Revival Praying** Leonard Ravenhill

A challenge to all who are deeply concerned about a full-scale spiritual awakening in America

"From the burdened heart of a man of God come these burning pages," wrote V. Raymond Edman, late president of Wheaton College.

Moody Monthly said, "This is a plea for praying that will melt the preacher's heart, move the people and magnify the Lord Jesus."

Ravenhill begins by describing the great need for revival, and then utilizes the remaining chapters to effectively drive home the point.

He tells us that prayer is faith in action, and therefore the most essential ingredient in the production of revivals.

The book is not only freighted with exhortations, but filled with illustrations. He takes us to both biblical and extra-biblical examples of the art of effective praying.

The result is a fast-paced presentation of a crucial and much neglected subject.
