## **Thatcher's Grandchildren?: Politics and Childhood in the Twenty-First Century (Palgrave Studies in the History of Childhood)**

*Thatcher's Grandchildren* explores sociological and political issues about childhood that have become increasingly significant in the twenty first century within a political landscape framed by neo-liberalism. In this edited collection, leading writers explore constructions of childhood and address social and political issues involving children in a number of key areas, both nationally and internationally. Issues addressed include child protection and abuse, the media, education and schooling, and poverty.
