The Practice of Hope (Paul in Critical Contexts) Nestor O. Miguez

In *Not Like Those Who Have No Hope*, Nestor O. Miguez brings the insights of historical-critical study and political analysis together with incisive theological reflection. Taking on European philosophical interpretations of Paul, the “North Atlantic consensus” regarding social stratification in the Pauline churches, and the distortions of “rapture” theology, Miguez situates Paul’s mission in the political context of Roman Thessalonica and reads his first letter in engagement with Latin American realities. The result is a surprising rediscovery of Paul as an organic intellectual for whom hope is always a socially concrete reality.
