## What the Buddha Never Thought "Ward Tim"

A culture classic and bestseller in the 1990s, What the Buddha Never Taught is a humorous "behind the robes" account of life inside one of the strictest jungle monasteries in Southeast Asia. In Pahnanachat, the monks keep the 227 rules laid down by the Buddha, including refraining from all killing. But how does a foreign monk cope with a cobra in the outhouse, or the temptation of a Mars Bar in his begging bowl? Find out, in this newly reincarnated edition, with a new introduction by the author and a new foreword by Wade Davis.
