Before the Throne of Grace: An Evangelical Family in the Early Republic

Laura S. Seitz, Elaine D. Baxter

Before the Throne of Grace: An Evangelical Family in the Early Republic Laura S. Seitz, Elaine D. Baxter

A portrait of the changing political, economic, social, and cultural milieu of nineteenth century-American society seen through the lens of a prominent New York State evangelical family.

Before the Throne of Grace is the story of two generations of minister and theologian James Richards' family beginning with Richard's boyhood in Connecticut during the American revolution and extending nearly a century beyond into the mid-1870s. This is a riveting account of the religious, business, and institutional life of a northern evangelical family during this dynamic period in the nation's history.
