REA's Essentials provide quick and easy access to critical information in a variety of different fields, ranging from the most basic to the most advanced. As its name implies, these concise, comprehensive study guides summarize the essentials of the field covered. Essentials are helpful when preparing for exams, doing homework and will remain a lasting reference source for students, teachers, and professionals. College and University Writing covers reading skills, the active reading process, basic composition, narration in the first or third person, writing about literature, images, metaphors and symbols, themes in literature, research assignments, and creative writing.
