Hell's Kitchen: A Novel of Berlin 1936 (Location Scout Mystery) Jeffery Deaver

The New York Times bestselling author of *The Empty Chair* and *The Devil's Teardrop*, is back displaying his "ticking-bomb suspense" (*People*) in this never-before-published thriller.

Every New York City neighborhood has a story, but what John Pellam uncovers in Hell's Kitchen has a darkness all its own. The Hollywood location scout and former stuntman is in the Big Apple hoping to capture the unvarnished memories of longtime Kitchen residents such as Ettie Washington in a no-budget documentary film. But when a suspicious fire ravages the elderly woman's crumbling tenement, Pellam realizes that someone might want the past to stay buried.

As more buildings and lives go up in flames, Pellam takes to the streets, seeking the twisted pyromaniac who sells services to the highest bidder. But Pellam is unaware that the fires are merely flickering preludes to the arsonist's ultimate masterpiece, a conflagration of nearly unimaginable proportion, with Hell's Kitchen -- and John Pellam -- at its blackened and searing epicenter.
