The 15-volume Swindoll's Living Insights New Testament Commentary series draws on Gold Medallion Award-winner Chuck Swindoll's 50 years of experience with studying and preaching God's Word. His deep insight, signature easygoing style, and humor bring a warmth and practical accessibility not often found in commentaries.

Each volume combines verse-by-verse commentary, charts, maps, photos, key terms, and background articles with practical application. The newly updated volumes now include parallel presentations of the NLT and NASB before each section. This series is a must-have for pastors, teachers, and anyone else who is seeking a deeply practical resource for exploring God's Word.
