## **Sutra Surangama (Spanish Edition)** Manuel Vega

Este sutra es uno de los discursos del Buda más leídos y estudiados dentro del budismo Mahayana, en particular en China y por la escuela de meditación Chan (más conocida en Occidente como Zen, su derivación japonesa). Es, por lo tanto, un texto que aportará fundamento y orientación al meditador que ya posee cierta práctica, pero también al que se acerca por primera vez o sin demasiados conocimientos al mundo espiritual de Oriente. Contiene además numerosas notas especialmente útiles para quienes nunca han leído un texto original del canon budista, escrito hace casi dos mil años.
