Secret Language of Tarot sets itself apart from other tarot books by teaching readers how to translate the pictorial symbolism from one deck to another, strengthening the reader's ability to recognize specific icons in any deck and in the world around them. *The Secret Language of Tarot* can be used as both a reference book and as a series of guided meditations on the individual symbols. Each of the seven chapters contain a set of symbols that share a common theme. Extensive research provides readers with the lore and mythological meanings of the symbols to help foster intuitive powers. The explanation of imagery is both insightful and eclectic. When read from beginning to end, *The Secret Language of Tarot* reveals a hidden current of understanding and connection between the individual cards of the deck. Each chapter ends with an Integration Lesson and a special Symbol Spread to deepen the understanding of the cards. *The Secret Language of Tarot* brings imagery and intuition into a course of study of the tarot. It is a must-have for any serious tarot reader that is written in accessible language for the novice as well.
