Claim of Innocence (An Izzy McNeil Novel) Laura Caldwell

Forbidden relationships are the most tempting. And the most dangerous.

It was a crime of passion—or so the police say. Valerie Solara has been charged with poisoning her best friend. The prosecution claims she's always been secretly attracted to Amanda's husband...and with Amanda gone, she planned to make her move.

Attorney Izzy McNeil left the legal world a year ago, but a friend's request pulls her into the murder trial. Izzy knows how passion can turn your life upside down. She thought she had it once with her ex-fiancé, Sam. Now she wonders if that's *all* she has in common with her criminally gorgeous younger boyfriend, Theo.

It's Izzy's job to present the facts that will exonerate her client—whether or not she's innocent. But when she suspects Valerie is hiding *something*, she begins investigating—and uncovers a web of secret passions and dark motives, where seemingly innocent relationships can prove poisonous...
