George Orwell

Escritor en guerra: Correspondencia y diarios (1936-1943) (Spanish Edition) George Orwell

Los diarios y la correspondencia del ensayista más importante del siglo XX suponen una crónica imprescindible de la guerra civil española y de la Segunda Guerra Mundial.

Esta edición presenta en un solo volumen una selección de los famosos «Diarios de guerra» de Orwell, que abarcan los años 1940 a 1942, que el escritor pasó en el Londres bombardeado por los nazis; y de su correspondencia entre los años 1934 y 1943, que cubren la Guerra Civil española y el inicio de su carrera literaria. Una crónica muy vívida del entorno intelectual, político y literario de Orwell durante los años más importantes de su vida y, al mismo tiempo, un testimonio extraordinario del período más convulso de la historia europea del siglo XX.

La crítica ha dicho...

«Probablemente el más influyente escritor occidental del siglo XX... El verdadero Orwell, quienquiera que sea, sigue tomando forma.»

The Times
