Lovely Detailed Mandala Pages: 40 Hand-Crafted Relaxing Designs Aisling D'Art

These 40 lovely, detailed mandala designs feature small (but simple) areas to color for maximum relaxation. If you like to relieve stress with easy, repetitive coloring projects, this is the perfect book for you.

Also, each page features a grey, patterned background you can color or leave as-is.

The coloring is simple, but the results are impressive. These are the kinds of coloring pages you'll want to frame and display.

Each coloring page is printed on just one side. You can color with pencils, pens, or markers, and not worry about the other side of the page.

All of these designs were *hand-crafted* -- drawn by hand with pen and ink, on paper -- before being refined *by the artist*, using customized coloring book software. There's nothing cookie-cutter about these coloring pages.

Whether you find small, repetitive coloring areas calming or challenging, if you've been looking for coloring pages with lots of details... this is the book for you!

Bonus: This book includes five extra-detailed mandala pages for extreme coloring, plus several sample pages from Aisling's other coloring books for adults.

(Available in a left-hand edition, too.)
