The Man Who Wrote Dirty Books Hal Dresner

This the comic novel, told in epistolary fashion as a sequence of exchanged letters, presents pornographer “Guy LaDouche” retreating to the wilderness with the hope of solitude and concentration to write his next book under a looming deadline.

Instead of peace, he finds harassment and distraction from his publisher, his old girlfriend and an angry father convinced that LaDouche's last novel, featuring a genuine nymphomaniac, was based on the man’s daughter. Soon, the author finds his quiet getaway plan beset by a lawsuit and investigation by the FBI and local sheriff.

Clever, sarcastic and, at times, over-the-top absurd, *The Man Who Wrote Dirty Books* has been delighting readers since its first publication in 1964.
