G. K. Chesterton

**The Napoleon of Notting Hill** G. K. Chesterton

**Part comedy, part adventure, part social commentary, this astonishing tale of tomorrow explores the essence of human nature**

Published in 1904, G. K. Chesterton's debut novel is set eighty years in the future. Technology and social mores remain the same, but the England of 1984 boasts a government in which ineffectual kings are selected at random from an otherwise apathetic populace that has "lost faith in revolutions." The political system hits a snag when Auberon Quin is selected as the next monarch. More joker than potentate, Quin amuses himself by installing a series of laws and bizarre customs that inflate civic pomp and circumstance to laughable proportions. These policies inevitably put Quin, a leader who does not believe in any of his dictums, on a collision course with his most earnest supporter: Adam Wayne, otherwise known as the Napoleon of Notting Hill.

A favorite among scholars and critics, *The Napoleon of Notting Hill* showcases the eclectic wit and unorthodox intellect that established Chesterton as one of the twentieth century's most influential and far-reaching thinkers.

This ebook has been professionally proofread to ensure accuracy and readability on all devices.
