The New Hiscox Guide for Baptist Churches

Edward Hiscox, Everett C. Goodwin

The New Hiscox Guide for Baptist Churches Edward Hiscox, Everett C. Goodwin

Dr. Edward Thurston Hiscox (1814–1901) was a distinguished Baptist theologian and author whose *Standard Manual for Baptist Churches* (published in 1890) and *New Directory for Baptist Churches* (published in 1894) were considered two of the foundational works of the modern Baptist church. In 1964, these books were combined into the *Hiscox Guide for Baptist Churches*, which has become a classic work in its own right. At the end of the 20th century, the book was revised and updated by well-respected Baptist pastor and teacher Dr. Everett C. Goodwin.

The book is divided into eight chapters:

- Nature of the Church
- Membership of the Church
- Church ministry
- Church leaders and officers
- Christian worship
- Christian ordinances, rituals and ceremonies
- The witness of the Church
- Church order, process and discipline

Following these chapters are seven appendices that include a Baptist chronology, creeds and confessions, and more.
