Titanic Tragedy: A New Look at the Lost Liner

John Maxtone-Graham

Titanic Tragedy: A New Look at the Lost Liner John Maxtone-Graham

“Maxtone-Graham’s take on the Titanic will be catnip to the ship’s dedicated buffs.”—*Publishers Weekly*

This is a book unlike any other. Rather than offering simply a detailed retelling of the *Titanic* sinking on her maiden voyage, John Maxtone-Graham devotes his considerable knowledge and impeccable prose to a discussion of salient, provocative, and rarely investigated components of the story, including dramatic survivors’ accounts of the events of the fateful night, the role of newly invented wireless telecommunication in the disaster, the construction and its ramifications at the famous Harland and Wolff shipyard in Belfast, and the dawn rendezvous with the rescue ship *Carpathia*. Richly written and vividly detailed, this is the book *Titanic* buffs have been waiting for.
