Lauren Weedman (who is Horny Patty in *Hung*) tells true, hilarious, and embarrassing stories of a girl gone wild. She's the David Sedaris of heterosexual women. Her self-deprecating, confessional, and terribly funny voice finds a special place in the hearts of those who can relate to her--which, for better or worse, includes all of us. From the uproarious account of her time at the Daily Show, where she developed an entirely one-sided infatuation with Jon Stewart, to the time she read her boyfriend's diary with disastrous results, Lauren's work is filled with the wit, honesty, and personality that make for great personal writing.
