## Being Strong Is a State of Mind...

Everyone in town thinks Holly DeJong has handled her husband's death well, including her. Until the day she spots a cupcake display at Smiley's General Store and lets loose. Holly's husband is dead...because he cheated on her. He didn't have just one Kitty Cupcake on the side; he had boxes of them!

Now everyone in town thinks she's lost it, except Holly. For the first time in months she feels as if she can handle anything, including her children, dating-minded family members and a certain deputy with more on his mind than the cupcake massacre. Just like the hula dancer on her husband's favorite lamp, Holly is learning that happiness comes from swaying with whatever possibilities life throws her way.
