Joseph Soloski, a construction contractor in Santa Fe, New Mexico, fell off a ladder and began having Out of Body Experiences in 2004. Following the directions in a famous book; 'Journeys Out of the Body' by Robert Monroe, Joe entered a parallel astral world where there are human-like people. In the parallel world of Ovvala, Joe encounters an ancient spiritual sect called the Siddhe. Their leaders Dagaan, Isult, Silvaan and Oorden claim to be part of a lineage that is seven thousand years old. They are at war with Reptilians from the Underworld who call themselves Draco. The Draco are disincarnate Tyrannosaurs capable of astrally entering humans and Ovvalans through our reptilian brain stem and have reincarnated for centuries through the bodies of the powerful families who control the religions, royal houses and major industries on Earth. They are emotionally attached to the blood of their ancestors in the ground - petroleum. By instigating wars between religions, and weakening human life through sadness and depleted food, the Reptilians are taking over human life. By staging an extraterrestrial invasion, they plan to terrorize humanity and impose global martial law towards a New World Order. But the Siddhe have a means to disempower the Reptiles. It is called Ixtellar, the Cosmic Yoga of the Imagination. This is a system of creative thought long suppressed by the Dark Powers and that is the link for humanity with Universal Races from other stars and dimensions. Risking his sanity in nightly encounters with this strange world, Joe is helped by his close friends Yvonne, Spencer and Lena. But especially by Llueve, an Ovvalan woman he meets with in out of body states and with whom he shares a special power. Her love allows him to break out of the imprisonment of a lifetime of Draconian conditioning that has reinforced his insignificance. While the world sleeps, Joe and Llueve travel in their astral bodies to the core of the Draconian Council, deep within the Earth to delay the staged invasion and expose the Draco as phantasms living within our minds.
