Every member of the Special Ops US Air Force pararescue jumpers, the PJs, swears by the motto “That Others May Live.” A top-secret mission to save a kidnapped Saudi princess will put that oath to the ultimate test.

With a force of armed men, a former mujahideen chases across the desert of Yemen to recover his Saudi wife, kidnapped by her powerful father, a prince of the Kingdom. The kidnapping turns violent, she is badly wounded, and the PJs are dropped into the vast sere badlands to rescue the princess and a young American diplomat swept up in the plot. The mission becomes a minute-by-minute race between the pursuing husband’s band of tribal allies and the PJs rushing to the rescue, as the princess’s life seeps away.

*The Empty Quarter* is a pulse-quickenning tour de force featuring the tactics and men of modern combat search-and-rescue and the complex politics of today’s Arabian peninsula. It’s a moving tale of desperate love and sacrifice set in the wastes of the Rub’ al Khali, the world’s largest and harshest sand desert.

You are so out of date, spending your free time by reading in this brand-new era is common not a geek activity. So what these ebooks have than the others?

#### **Ronald Searle:**

As a scholar exactly feel bored to help reading. If their teacher requested them to go to the library as well as to make summary for some e-book, they are complained. Just little students that has reading's soul or real their leisure activity. They just do what the educator want, like asked to the library. They go to presently there but nothing reading really. Any students feel that reading through is not important, boring as well as can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this The Empty Quarter (A USAF Pararescue Thriller Book 2) can make you truly feel more interested to read.
