The Summer Camp from the Black Lagoon (Black Lagoon Adventures series Book 24) Mike Thaler
Where—and what—is the Black Lagoon? As fans of this beloved series know, it's the worry-filled alternate reality of Hubie's overactive imagination. That's where things that are new to Hubie become frightening in the most hilarious ways. Filled with puns and monstrously funny illustrations, these books offer a simple but sound lesson: there's really nothing to worry about when it comes to new people and new experiences.
