## **These Shallow Graves** Jennifer Donnelly

From Jennifer Donnelly, the critically acclaimed *New York Times* bestselling author of *A Northern Light* and *Revolution*, comes a mystery about dark secrets, dirty truths, and the lengths to which people will go for love and revenge. For fans of Elizabeth George and Libba Bray, *These Shallow Graves* is the story of how much a young woman is willing to risk and lose in order to find the truth.

Jo Montfort is beautiful and rich, and soon—like all the girls in her class—she'll graduate from finishing school and be married off to a wealthy bachelor. Which is the last thing she wants. Jo dreams of becoming a writer—a newspaper reporter like the trailblazing Nellie Bly.

Wild aspirations aside, Jo's life seems perfect until tragedy strikes: her father is found dead. Charles Montfort shot himself while cleaning his pistol. One of New York City's wealthiest men, he owned a newspaper and was a partner in a massive shipping firm, and Jo knows he was far too smart to clean a loaded gun.

The more Jo hears about her father's death, the more something feels wrong. Suicide is the only logical explanation, and of course people have started talking, but Jo's father would never have resorted to *that*. And then she meets Eddie—a young, smart, infuriatingly handsome reporter at her father's newspaper—and it becomes all too clear how much she stands to lose if she keeps searching for the truth. But now it might be too late to stop.

The past never stays buried forever. Life is dirtier than Jo Montfort could ever have imagined, and this time the truth is the dirtiest part of all.
