## War by Candlelight: Stories Daniel Alarcon

Something is happening. Wars, both national and internal, are being waged in jungles, across borders, in the streets of Lima, in the intimacy of New York apartments. *War by Candlelight* is an exquisite collection of stories that carry the reader from Third World urban centers to the fault lines that divide nations and people - a devastating portrait of a world in flux -- and Daniel Alarcón is an extraordinary new voice in literary fiction, one you will not soon forget.
