**Interpersonal Communication: Building Connections Together** Teri Susan Kwal Gamble, Michael W. Gamble

Written in a conversational style for students living in today's world of ever-evolving media and new technology, this hands-on skills guide by Teri Kwal Gamble and Michael W. Gamble puts students at the center of interpersonal communication. To help them become better, more successful communicators, married author team Teri Kwal Gamble and Michael Gamble shed new light on the dynamics of students' everyday interactions and relationships, and give students the tools they need to develop and cultivate effective communication skills. Using an applied, case-study approach that draws from popular culture and students' own experiences, Gamble and Gamble go beyond skill building by encouraging readers to critically reflect on their own communication patterns and actively apply relevant theory to develop and *maintain* healthy relationships with family, friends, romantic partners, and co-workers. Designed to promote self-reflection and develop students' interpersonal communication skills, each chapter of this engaging text examines how media, technology, gender, and culture affect the dynamics of relationships and self-expression.
