A man in the 1800s comes upon a beautiful forest and decides to build his home there. When he clears the land, he leaves one special tree to grace his front yard. Over the years, several generations of his family enjoy this tree, but it is endangered by a plan to build a highway. A young boy and his host of animal friends get together to make a stand, and give back to the tree which has given them so much.

With lavish illustrations and very few words, David McPhail delivers a timeless environmental message and a heartwarming story for ages 4 to 8.
