## Woodworking Nancy MacDonald

User-friendly and complete with full-color photos and illustrations, Woodworking offers a comprehensive guide for beginning woodworkers and aspiring cabinetmakers alike. Beginning with a brief introduction to the industry, as well as descriptions of the tools and materials used in the trade, the book then progresses on to illustrate and explain the hands-on skills that are essential to success in project creation. Step-by-step projects are accompanied by engaging photos and illustrations that walk through the process of building wood products, including tables and chairs, chests, cabinet-making, and more! These projects provide learners with a sense of accomplishment as they demonstrate their skills through successful completion of a finished product.
