Adobe Photoshop is like having a darkroom right inside your computer. And now, with Photoshop Classroom in a Book, created by Adobe's own training experts, it's like having an expert tutor in your own book. Photoshop Classroom in a Book gives you a comprehensive set of Photoshop lessons to teach you everything you need to know to use this powerful image-editing software. And best of all, you can learn at your own pace.

Start with the basics of Photoshop, from navigating the interface to creating layers and selections to working with Photoshop tools, then move on to more complex Photoshop features, like masks, channels, retouching techniques, and special effects. In no time flat, you'll master these skills like a grade-A student, and you don't even have to bring an apple for the teacher.
