Daring to Date Again: A Memoir

Ann Anderson Evans

Daring to Date Again: A Memoir Ann Anderson Evans

Ann has two kids, two careers, two divorces, a pile of friends and sings soprano in the church choir. But after twelve years single, she is sick of celibacy. She's been through enough to know that marriage is not what she was brought up to expect, and that love can be slippery and uncertain. With a re-awakened libido and a longing for adventure, she steps outside her comfort zone—embarking on a boundary-pushing, soul-searching journey into the world of online dating.

Ranging from Montclair, New Jersey to Harare, Zimbabwe, *Daring to Date Again: A Memoir* is a compelling, often racy memoir of one woman's late-life adventures with sex and dating in the modern world. As she rollicks (and bawls) her way through dozens of relationships, Evans tackles some touchy topics with humor and insight: the morality of dating married men, whether women over sixty should consider having children, what age difference is too much, and more. Daring, frank, and a little bit nutty, *Daring to Date Again* is a story about what happens when a lonely, sex-starved sixty-year-old woman decides to put herself on the market again—but on her own terms.
