Harnessing people power for profit

Staffing has become the second-fastest-growing industry in the United States, largely by serving a lean business world in which companies are forced to downsize and merge in order to stay competitive. The work still has to be done, but now outsourcing to staffing services, especially for specialized business and technical skills, covers it.

Entrepreneur magazine's highly successful StartUp series, shows the budding 0. entrepreneur how to set up and operate a firm that can supply person power for a narrow or broad range of business needs. Among other topics, *Start Your Own Staffing Service* covers:
