## **The Calling: My Journey with the Angels** Kim O'Neill

O'Neill was disillusioned by her professional life and heart-broken by a dissolved marriage when, in an act of desperation, she cried out to God for help. The next day that help arrived in the form of her guardian angel, who told Kim that he had been sent to help her build a new life. To do so, she would have to open herself to an extraordinary journey unlike anything she had ever experienced or envisioned. Would she continue the life she had known—however miserable—just because it was familiar and felt safe? Could she ignore her practical, logical tendencies and take the giant leap of faith that would radically change her life? This is Kim's story—her fascinating journey from pragmatic businesswoman to psychic channel and follower of angels' advice. This is the story of her true destiny as she found the calling she had once abandoned in her childhood. Could this be your story too?
