Time and the Tapestry: A William Morris Adventure Phyllis Saroff, John Plotz

What kind of adventure begins in the living room on a rainy Monday afternoon? It depends. Say you just found out that Granny, who raised you, is going to lose her house because there's nothing valuable left to sell except an unfinished tapestry. And say that your pet blackbird Mead starts talking and swells up to the size of large motorcycle, and that you suddenly find yourself on his back falling into what you could have sworn was just an old rug covered with pictures of knights galloping through forests. If that's your situation, then this adventure could be weirder, scarier, and more amazing than anything you ever imagined. *Time and the Tapestry* tells the story of a 13 year old, would-be artist Jen and her not-quite-as-nerdy-as-he-used-to-be- 10 year old brother Ed. They find themselves adrift in 19th century England, unable to make their way back home until they've gathered the missing pieces to make that tapestry whole. It's great that they can ride on Mead's back. But not so great that his feathers are falling off, too fast to count. Great that they keep meeting up with the rugmaker himself, Jen's hero, British radical William Morris. But not so great that he always seems to be yelling at somebody or tossing something at them. Great that as they travel from London to Oxford to Iceland, they begin to figure out a way to save the Tapestry (and Granny's house along with it). But downright terrifying that Mead's going to be grounded soon, leaving them trapped with Morris and his wacky daughter May in a Victorian London that may be filled with cranky artists and loveable animals, but....it's a long long way from home. The scenes set in Canterbury, Oxford, the English countryside, Trafalgar Square, Iceland, and Boston will enchant those drawn to the tapestry of history. Along with its magnificently detailed illustrations, this expertly woven tale threads together the best of classical fantasy with a tale of modern-day adventure that will captivate readers of all ages. First-time children's book author John Plotz--who's spent years studying, teaching, and dreaming about William Morris--brings the story of Arts and Crafts to life with a yarn about a world where the power of imagination may just be strong enough to bring dragons, flying birds and enchanted books to life.

From reader reviews:

Joshua Shaw:

In this 21st one hundred year, people become competitive in each and every way. By being competitive today, people have to do something to make these people survive, being in the middle of the crowded place and notice by surrounding. One thing that occasionally many people have underestimated it for a while is reading. Yeah, by reading a reserve your ability to survive improve then having chance to endure than other is high. For yourself who want to start reading a book, we give you this specific Time and the Tapestry: A William Morris Adventure book as nice and daily reading guide. Why, because this book is greater than just a book.

Richard Vazquez:

As people who live in typically the modest era should be change about what going on or info even knowledge to make all of them keep up with the era that is certainly always change and make progress. Some of you maybe can update themselves by reading through books. It is a good choice in your case but the problems coming to you is you don't know what type you should start with. This Time and the Tapestry: A William Morris Adventure is our recommendation so you keep up with the world. Why, since this book serves what you want and need in this era.

Robert Hatch:

The reason? Because this Time and the Tapestry: A William Morris Adventure is an unordinary book that the inside of the guide waiting for you to snap that but latter it will zap you with the secret it inside. Reading this book adjacent to it was fantastic author who also write the book in such remarkable way makes the content inside easier to understand, entertaining means but still convey the meaning entirely. So , it is good for you because of not hesitating having this any longer or you going to regret it. This book will give you a lot of benefits than the other book have such as help improving your expertise and your critical thinking way. So , still want to postpone having that book? If I were you I will go to the publication store hurriedly.

Larry Turner:

Are you kind of active person, only have 10 or maybe 15 minute in your day to upgrading your mind proficiency or thinking skill even analytical thinking? Then you are receiving problem with the book as compared to can satisfy your small amount of time to read it because pretty much everything time you only find reserve that need more time to be study. Time and the Tapestry: A William Morris Adventure can be your answer mainly because it can be read by a person who have those short free time problems.
